**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's important to me that the "little guys " stay viable in the marketplace. Please keep Sonic Net and other independents in mind. Excellent internet connectivity and phone service are imperative. During last year's firestorm, Sonic net sustained service. Neighbors actually showed up at our doorstep to use our internet and phones. I want to continue being serviced by Sonic net. Please make sure your decisions allow me to do so.
